PUBLIC HEALTH INSTITUTE OF METROPOLITAN CHICAGO

Public Health Institute of Metropolitan Chicago (PHIMC) enhances the capacity of public health and health care systems to promote health equity and expand access to services. Through organizational development, system transformation, fiscal management, and program implementation, PHIMC leads efforts to strengthen public health infrastructure in Illinois.

COMMUNITY REENTRY PROJECT

Community Reentry Project (CRP) is a multi-stakeholder project that coordinates efforts to ensure that people living with and at highest risk for HIV transition smoothly from incarceration to communities. CRP facilitates a comprehensive system of HIV prevention, care, and support services throughout Illinois. Partners include AIDS Foundation of Chicago, Cermak Health Services of Cook County, Children's Home & Aid, Christian Community Health Center – Footprints, Men and Women in Prison Ministries, and Midwest AIDS Training + Education Center
