2019 Illinois Reentry Conference: Advancing Criminal, Health, and Social Justice

Thursday, October 3, 2019

About PHIMC

Public Health Institute of Metropolitan Chicago (PHIMC) enhances the capacity of public health and health care systems to promote health equity and expand access to services.

How PHIMC Works

PHIMC leads efforts to strengthen the public health infrastructure in Illinois through:

- Organizational Development
- Systems Transformation
- Fiscal Management
- Program Implementation

Community Reentry Project

A multi-stakeholder project that coordinates efforts to ensure that people living with and at highest risk for HIV transition smoothly from incarceration to communities Coordinates reentry efforts in Illinois

Community Reentry Project: 2005

Illinois Department of
Public Health (IDPH) funds
the Community Reentry
Project (CRP)

Community Reentry Project: 2007

HRSA supports use of Ryan White HIV/AIDS program funds for incarcerated individuals as they prepare to exit the correctional system.

Community Reentry Project: 2010

IDPH funds Public Health Institute of Metropolitan Chicago (PHIMC) to lead CRP.

Community Reentry Project: 2015

Illinois HIV/AIDS strategic plan is updated and includes goals and strategies for incarcerated or formerly incarcerated populations

Community Reentry Project: 2019

CRP celebrates 20 years of providing a comprehensive system of HIV prevention, care, and support services to ensure people living with HIV or at risk of HIV transition smoothly from incarceration to communities
