---

*The Brunch is back! A staple for many years with the Illinois Safe Schools Alliance, we're delighted to host this new format as we continue to celebrate the merger with the Public Health Institute of Metropolitan Chicago.*

---

**Public Health Institute of Metropolitan Chicago** (PHIMC) has shown itself to be a resilient, flexible, and determined organization time after time over the years and working to fulfill our mission in the current social, political, and public health landscape is no different. As uncertain and tumultuous as this year may be, our staff continues to lend their vast and varied breadth of knowledge and leadership to continuing our vital work, innovating systems in collaboration with partners at every level to improve health and well-being for all. **We'd like you to join us.**

**On Sunday, November 15, PHIMC will be hosting its inaugural B.Y.O.Brunch for Public Health.**

By partnering with a wonderful list of restaurants across the city, we're offering guests an opportunity to support our public health efforts while also supporting the restaurants and businesses that make Chicago neighborhoods great.

**Tickets to this virtual event are available now** for \$50 (up to two people) or \$75 (three or more people) and can be purchased by clicking the button below. **Sponsorship and Host Committee opportunities are also still available** - visit [bit.ly/phimc-brunch](https://bit.ly/phimc-brunch) or contact Development Coordinator [Vince Pagán](#) for more information.

**BUY YOUR TICKET NOW!**
