## Recruiting Announcement Board of Directors – New Members

**The Public Health Institute of Metropolitan Chicago (PHIMC)** seeks new members of its Board of Directors to fill three-year terms. The ideal Director supports the values and work of PHIMC and is committed to moving the organization forward by fundraising, collaborating with the Executive Team on organizational development, and providing governance to the organization. PHIMC's work focuses on promoting health equity and dismantling institutionalized racist and other oppressive barriers to affirming health care and other necessary services. PHIMC's programs include HIV prevention and care services, HIV screening, organizational transformation, Illinois Safe Schools Alliance, AmeriCorps' National Health Corps Chicago, Reentry Services, Gender-Affirming Care, Quality Management, Training and Technical Assistance, and other innovations in Public Health. Visit [www.phimc.org](http://www.phimc.org) for more information about PHIMC's full portfolio of work.

PHIMC advances health justice and strengthens public health through innovation and partnerships that align people, strategies, and resources. Through organizational development, system transformation, fiscal management, and program implementation, PHIMC leads efforts to strengthen the public health infrastructure in Illinois. PHIMC tackles critical health challenges in partnership with public health departments and other government agencies, community-based organizations and advocacy groups, academic and grant-making institutions, and health care providers and associations. Ultimately, PHIMC envisions systems that impact how we live, work, and play as compassionate, affirming, and racially equitable, supporting health and well-being for all people.
