

Friends!

Public Health Institute of Metropolitan Chicago (PHIMC) is proud to announce Action Camp, co-hosted with Youth Services of Glenview, our largest annual gathering of youth leaders. Action Camp is a five-day sleepaway camp which brings together young leaders from Genders and Sexualities Alliances (GSAs) and youth groups across Illinois to learn from one another and shape the safer schools movement. Young people at Action Camp see their identities reflected back to them, sharpen their critical lenses, strengthen their own anti-oppressive frameworks, and actively share skills and practice what it means to create spaces in the world where all identities are safe, supported, affirmed, and celebrated.

PHIMC has long worked with organizations serving individuals living in marginalized communities. Our efforts improve access to education, health, and social services which affirm and support LGBTQ+ youth, people struggling with substance use disorders, justice involved individuals, people living with or at risk for chronic disease, and others facing systemic discrimination, primarily in Illinois.

“Action Camp brings me tremendous amounts of joy; it is the highlight of my summer and truly such an amazing experience,” shared one recent camper.

In the words of a camper’s caregiver: “Camp gave my kid a community in which they could embody themselves, relax, learn, play, and make bonds with others.”

I am writing to invite you to sponsor Action Camp 2025 at the \$10,000, \$5,000, \$2,500, \$1,000, or \$500 level. Each sponsor will be recognized in event marketing materials distributed to more than 5,000 individuals and organizations, and higher level sponsors will be invited to a special online event with youth leaders from PHIMC’s Alliance program. Your sponsorship will help us reach our goal of \$75,000 to support LGBTQ+ young people. No camper is ever turned away from Action Camp for lack of funds, and your support helps to make this possible.

We ask that sponsorship agreement forms be either [completed online](#) or submitted to julio.flores@phimc.org no later than June 26, 2025.

PHIMC is committed to promoting the safety and wellbeing of youth. As a leader in the community, your involvement with us in Action Camp is an opportunity for your organization to make a direct impact in young people’s lives. I hope that you will consider supporting this event.

If you have any additional questions or need to contact us, please email julio.flores@phimc.org or call Karen Reitan at 312-629-2988 x115.

Sincerely,

Karen A. Reitan
President & CEO
