

Friends!

On behalf of the Public Health Institute of Metropolitan Chicago (PHIMC), I am pleased to invite you to partner with us as a sponsor for our annual *Illinois Reentry Conference: Where Collaboration, Education, and Innovation Leads to Equity in Health Justice* on **March 12, 2026**.

The Illinois Reentry Conference brings together people who are justice-impacted, their families, advocates, public health professionals, healthcare providers, social service professionals, and members of the community for a day of honest dialogue to transform how we advocate for and work with people who are justice-impacted. This conference includes presentations, workshops, artistic expression, supportive space for networking, and a presentation of our Community Reentry Champion Award to individuals and organizations going above and beyond.

For more than twenty years, PHIMC has led the Community Reentry Project (CRP), a multi-stakeholder project that coordinates efforts to ensure that people living with and at the highest risk for HIV transition smoothly from incarceration to communities.

We invite you to sponsor the *2026 Illinois Reentry Conference: Where Collaboration, Education, and Innovation Leads to Equity in Health Justice*. Sponsorship levels range from \$10,000 to \$500 and include opportunities for brand visibility and recognition before, during, and after the conference. Your partnership will demonstrate a powerful commitment to health equity, corporate social responsibility, and community health innovation. We expect to engage 200 to 250 people.

We ask that sponsorship agreement forms be submitted to reentry@phimc.org, no later than January 30, 2026.

PHIMC is committed to deconstructing racist systems, preventing trauma, ending the HIV epidemic in Illinois, and ensuring our team is collectively moving the needle to achieve health equity and find our way to justice. We hope that you will consider joining us. If you have any additional questions or need to contact us, please email reentry@phimc.org.

Sincerely,
