Community-Centered & Equity-Focused

The Youth Health Summit is hosted on Chicago's West Side to uplift the resources, organizations, and expertise already rooted in these communities. Hosting locally increases access for youth and highlights community strengths.

Our Purpose

To center youth voices in conversations about health, wellness, and equity by creating space for learning, connection, and action. Youth and adult allies come together to elevate lived experience and shape community-driven solutions.

Summit Goals

- ✓ Build community and empower youth leadership
 - ✓ Support holistic care for young people
 - ✓ Uplift West & South Side service providers
- ✓ Unite youth, advocates, organizers, and healthcare professionals
- ✓ Highlight innovative, youth-focused programming
