A MESSAGE FROM OUR PRESIDENT & CEO

Dear Friend,

On behalf of the Public Health Institute of Metropolitan Chicago (PHIMC), I am pleased to invite your organization to partner with us as a sponsor for All In for Public Health — our signature Fall Fundraiser. This event unites public health leaders, advocates, and supporters committed to advancing health equity and justice across our region.

Each year, it honors those leading this work — across sectors and communities — while raising critical funds to support HIV prevention and care, behavioral health, school and community health, health for justice-involved individuals, gender-affirming care, and affirming environments for LGBTQ+ youth.

This is a particularly important moment. In the face of shifting federal public health priorities and increasing pressure on services for marginalized communities, your sponsorship helps ensure that essential work continues and the message of equity remains strong.

We invite you to stand with us. Your investment fuels initiatives that drive health justice, strengthen communities, and expand access to care across Illinois. We look forward to building a meaningful partnership with you.

Sincerely,

Karen A. Reitan

OUR MISSION & IMPACT

PHIMC advances health justice and strengthens public health through innovation and partnerships that align people, strategies, and resources.

For over 30 years, PHIMC has strengthened public health systems and expanded access to quality, equitable care across Illinois — partnering with nonprofits, government agencies, and communities to advance health equity and justice. When you sponsor PHIMC, you align your organization with this legacy of impact.

Our Programs

The Alliance Promotes safety, support, and healthy development for LGBTQ+ youth in Illinois schools through advocacy, education, and youth organizing.	Community Reentry Project Ensures people living with or at highest risk for HIV transition smoothly from incarceration to communities.
Gender-Affirming Care Statewide initiative building provider capacity to deliver culturally competent care to transgender, gender diverse, and LGBTQ+ people.	HIV Prevention & Screening Integrates routine HIV screening into care and trains providers to eliminate HIV stigma, homophobia, and transphobia.
School Health Access Collaborative Transforms school health to provide comprehensive, coordinated, sustainable care for Chicago students.	Substance Use Services Works across screening, prevention, treatment, and recovery using a harm reduction framework for those most impacted.

"After seeing all these presenters, I feel inspired and hopeful, which is difficult to find when working in corrections. Thank you!!!" — Illinois Reentry Conference Participant
